### Discovery Order

1. Archrock Services, L.P., will talk to Larry Stuart of Stuart P.C., attorney for CSI/CLLP, Robert L. Eshleman's employer, and coordinate an inspection of Eshleman's issued computer. It is admonished that cooperation is in everybody's interest. This case will take a turn for the worse if the computer has been tampered with and any files are missing.
2. Archrock and Eshleman will schedule a date in early to mid October for Eshleman's deposition.
3. Archrock's discovery requests will be crafted to fit this case and should not be standard form requests.
